Navigating Change ... Creating Opportunities

2010 Defense Credit Union Council Conference

No need to look any further: **DCUC's 47th Annual Conference in Minneapolis** is a few months out (August 22-25th), and as can be attested year after year, it is the preeminent educational and networking event in our community. Given last year's challenges and those expected in the coming years — both from an industry and Defense perspective — there is no better time or place to address pressing issues and listen to the experts than at DCUC's main event.

"Navigating Change...Creating Opportunities," is not only this year's theme, but also our mantra in terms of challenges, guidance, and direction. And what better way to fine tune our goals and possibly set new objectives than by listening and learning, and by exchanging ideas and meeting "eyeball to eyeball" with our peers, our corporate partners, and industry leaders!

Whether you're a recent credit union hire or a seasoned veteran, if you are operating on a military base, DCUC's Conference is **the** one educational meeting you do not want to miss; it is **the** one place for you to hear from our Department of Defense representatives, leaders and professionals; and it is **the** singular event to develop new strategies and discover innovative solutions! At this year's conference you can:

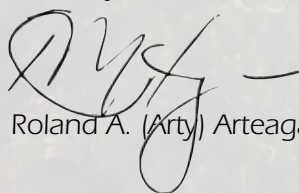

- Expand your industry network by connecting with people who do what you do and are also seeking solutions for today's challenges
- Enhance your relationships and your knowledge of the defense establishment, as it pertains to the delivery of financial products and services to our Armed Forces
- Strengthen ties with our Corporate Partners and identify the latest trends, technology and fixes that you can share with and employ at your credit union
- Attend educational sessions that are timely, pertinent, and meaningful, and will set your azimuth and assist you in navigating the future
- Explore opportunities and partake in our SHOWCASE with a PURPOSE...and support our Showcase Silent Auction that will once again benefit our injured warriors (we have raised over \$125,000 to date, as a result of our conferences!)

This Preliminary Program is your source of information for **DCUC's 47th Annual Conference**, and it contains the registration forms you need to attend this first-class educational and networking event! If you prefer registering online, visit DCUC's website (www.d cuc.org) and register today! And while you are at it, make your hotel reservations on our website, as well.

Defense Credit Unions: "Navigating Change...Creating Opportunities."

See you in August in Minnesota — the land of ten thousand lakes!!

Sincerely,

SHOWCASE WITH A PURPOSE!

“Giving back to those who have given so much...”

For the past several years and with the support of our exhibitors and friends, DCUC has raised much-needed funds to help our troops and their families. In addition to networking with colleagues and friends in our Showcase, one of the great results from our generous Silent Auction is that we can help our Wounded Warriors. This tradition continues in Minneapolis as DCUC is proud to announce our sponsorship of a fantastic project recommended by our Keynote Speaker, LTC Greg Gadson: **The Vail Veterans Program**.

Since 2004 the Vail Veterans Program has hosted recently wounded United States military personnel in Vail, Colorado. The Vail Veterans Program allows our seriously injured veterans the opportunity to rebuild their confidence by challenging them to overcome their disabilities and learn to participate in sports in a completely new, though challenging way. The Vail Veterans Program is volunteer-based, with every dollar of each contribution going directly to the cost of hosting wounded Veterans and their families.

The Vail Veterans Program offers skiing, snowboarding and outdoor summer recreation activities to United States military men and women who have been severely wounded while serving our country in Afghanistan and Iraq at no cost to the participant and their guest.

The program focuses on their abilities not their disabilities and allows them to discover confidence in themselves. Family members and the staff of Military Medical Centers are invited to attend which allows them to be a part of this life-changing experience for the wounded veteran.

The Vail Veterans Program is a 501 (c)(3) volunteer organization based in Vail, Colorado and has been changing wounded veteran's lives for the last six years.

Please join us once again this year as we continue to support those who support our country!

MINNEAPOLIS OPTIONAL TOUR

Saturday, August 21

**Twin Cities Highlights Tour with
Riverboat Cruise & Gangster Caves Tour**

11:00 AM

Depart the Minneapolis Hilton via deluxe motorcoach with tour guide

In this tour, you will experience a sampling of just what it is that makes the Twin Cities so “fantastic.” The tour of the area includes both downtowns of St. Paul and Minneapolis. Upon departing Minneapolis, your tour guide will provide commentary on Minneapolis as you drive toward St. Paul.

Noon – 1:30 PM

Mississippi Riverboat Cruise with Lunch Box

As part of this tour you will board an authentic paddlewheel sternwheeler. Departing from Harriet Island in St. Paul you will head down the same river used by Native Americans, settlers and travelers to Fort Snelling State Park, located at the confluence of the Minnesota and Mississippi Rivers. At the end of the cruise a costumed gangster guide will hi-jack the bus and take us on a gangster riding tour. Our guide is the embodiment of the “untouchables” that busted kegs and hustled thugs off to the hoosegow during the days of prohibition. This was an era when things were not always what they seemed...St. Paul was more than a quiet, picturesque river town. You will drive by the place where one local gangster blew up a rival, see where Dillinger had a shoot-out with St. Paul police and pass the former most-exclusive speakeasy in the area! Next you will drive by the Landmark Center. Once the site of famous gangster trials (J. Edgar Hoover personally escorted public enemy #1, Al Karpis, through the doors for his trial), the restored federal courts building still commands respect.

2:15 PM – 3:00 PM

Next on the tour is a stop at the Wabasha Street Caves. The “Caves” were dug in the early 1800s out of a layer of rock known as St. Peter Sandstone. The sand which forms this rock was once the beach of a warm inland sea, over 400 million years ago. During our cold Minnesota winters, it is reassuring to see this remnant of a tropical Minnesota. In the 1800s, a mushroom-growing business was established in the Caves, then a nightclub and restaurant was opened in the 1930s; if you listen carefully, you can still hear bands such as the Dorsey Brothers and Cab Calloway playing in the stage area with the adjoining dance floor. In addition to these two areas, there is a fireplace area with bullet holes from the 1930s gangsters in the mantle to remind us of a rowdier era. St. Paul served as a cooling-off area for gangsters, and you’ll even see a “Gangster Gallery” to show off some of the Caves’ more notorious past visitors.

3:00 PM – 5:00 PM

The tour will then continue with a brief visit to Minnehaha Falls, the Minneapolis Lakes, Minneapolis Sculpture Gardens, and more of downtown Minneapolis before you return to the Hilton.

Price: \$85.00 per person

The bays, once separate little lakes, were connected by channels. Today, Lake Minnetonka serves as a center for recreational activities and water sports. Lake Minnetonka is also the birthplace of Tonka Toys and Minnetonka Moccasins. Enjoy a complete lunch as you view the magnificent estates along Lake Minnetonka's 100 miles of lush green shoreline.

Historic St. Paul Tour

2:45 PM

Depart Minneapolis Hilton via deluxe motorcoach with tour guide

Hill was the man behind the success of the Great Northern Railway and it remained the great adventure of his life. Upon completion, the home contained 36,000 square feet on five floors including 13 bathrooms, 22 fireplaces, 16 crystal chandeliers and a 100 foot reception hall. The home served as the center for public and private lives of the Hill family for over 30 years. Additionally our guide will provide commentary on Rice Park, Ordway Center for the Performing Arts, Landmark Center, Children's Museum, Mickey's Diner, The Fitzgerald Theater, Minnesota History Center, the Minnesota State Capitol, and magnificent Cathedral of St. Paul.

Mississippi Riverboat Cruise

2:45 PM

Depart Minneapolis Hilton via deluxe motorcoach with tour guide

The Great Steamboat Era began in 1811 with the launch of the New Orleans and by mid-century, the Mississippi River was filled with paddlewheel steamers. During the Civil War, civilian traffic came to a stand-still and many, including Mark Twain, thought that the era of steamboating was over. In fact, it was during these post-war years that steamboats thrived. While the steamboat era is a page in American History, it is a page that can be re-read as we board an authentic sternwheeler – the pride of the 19th century – for a cruise on the Mighty Mississippi River.

This Minneapolis river cruise travels through the Upper St. Anthony Falls Lock, which is the northernmost lock of the 29 along the Mississippi River and the deepest, a descent of 50 feet. The area is abundant in both history and commerce with old St. Anthony, where Minneapolis began, on one side and the spectacular downtown skyline on the other. The cruise takes you under both the Hennepin Avenue Bridge and the historic James J. Hill Stone Arch Bridge. This afternoon we will relive those glorious days when America was young, a time when the building of a nation and the establishment of the states was directly influenced by the great inland waterways.

5:30 PM

Return to hotel

Price: \$75.00 per person ■ 30 person minimum
