

DCUC Conference Tours - what's in store for you this August

The city of Minneapolis may not be familiar to many of us. We often associate Minneapolis with frigid winters, and skywalks that shield the city inhabitants from the cold. But what you may not know is that summer in Minnesota is delightful! Outside cafés fill with people enjoying the pleasant temperatures and camaraderie in the pedestrian zone of the city along Nicollet Avenue. During summer, everyone takes advantage of the good weather and makes the most of their time outside. It's a perfect time to visit and explore this special American city.

Our tours this year will feature the highlights of the Twin Cities and focus on some of the great aspects of the upper Midwest. We will begin with a Saturday Highlights tour that will include a Riverboat ride and step back in time to an age where gangsters vacationed in the Twin Cities. Be prepared for some special surprises!

Our spouses and guests will enjoy two wonderful tours on Monday and Tuesday: the first will include a visit to Stillwater. Considered to be the birthplace of Minnesota, Stillwater is located on the St. Croix River about 30 minutes from downtown Minneapolis. It is a beautiful old town filled with antique shops and architectural gems!

The second guest tour is a lunch cruise on Lake Minnetonka – one of the most beautiful lakes in the state.

On Tuesday, August 24, we are offering two optional tours: for those who missed the Riverboat Cruise on Saturday, there will be a chance to enjoy a cruise along the Mississippi on an authentic Paddlewheeler! And if history is more your cup of tea, then you will certainly enjoy the historic tour of St. Paul - Minnesota's charming state capital.

Join us this August in Minneapolis – you will be glad you did!

FIVE REASONS WHY ATTENDING THE 47th ANNUAL DCUC CONFERENCE SHOULD BE A PRIORITY!

1. Exchanging ideas and concerns of common interests with your fellow on-base credit union colleagues
2. Connecting with Corporate partners, Colleagues and Department of Defense Liaisons to find solutions for today's unique challenges
3. Participating in informative and educational sessions geared toward Defense and credit union community issues
4. Enhancing your relationship and networking with Defense personnel and colleagues to address today's challenges, but more importantly, tomorrow's solutions.
5. "Serving Those Who serve Our Country"
